“ Bruce is and was the love of my life, he will forever live in my heart. He saved my life and changed my life for the better. He never failed to keep me laughing and smiling. He made me the happiest woman in the world, there was never a dull moment when this man was around, there is not one that can ever take his place. He touched many lives and was dedicated to helping others, my life is so empty without him! I miss him every second of every day, I only find peace in knowing he is no longer suffering. He will never be forgotten, Happy Birthday Baby

“ Bruce was my neighbor at a couple locations I'm here to tell you that you won't find a nicer person. My friend Bruce would give you the shirt off his back. We traded lawnmower and I never had know problem getting my money or parts or he would give me a part if he had it never charged me a dime. I love that boy so much so hard to think he's not going to be around this summer. We talked about all we were gonna do. So much to say about Bruce but they didn't come know better to his family we are praying for you and love you all.
