“ Danny, We Love U and are going to miss u more then Ever! Going to miss ur phone calls, ur visits and hanging out! Especially the one’s u come in a say “Let’s find something good on Tv or can I do a load of laundry, Then u recline the couch and 5 minutes later, ur snoozing 📺 And I done ur laundry while cat napped, sometimes I think that was ur way getting out of laundry , but I didn’t care, I would let u rest. We enjoyed those moments just as well as the ones u was up watching Tv and chatting 📺 Thank u for stepping up and taking on the role of Uncle for my kids and showing them what is was like having a Awesome Uncle, When u could of said No, I’m ur cousin, but u never did. I Remember when Nate and Co was young, and when U would pull up, before u could even get out of the Truck, they was screaming Uncle Danny’s here and out the door, they was at ur door opening it for u. U had the most Caring Heart, and always there to help us, even when we didn’t ask! Remember when I wrecked my yukon, u told us to go get one of ur vehicles, we told u we was fine, u didn’t take that answer, u ended coming in and showing up with one. Jumped our butt’s many times when we mentioned renting a car to go on vacation, u said absolutely not, u go get mine. Then here few months ago, I got my kia, u acted like u was upset, u said u all know u all was always welcome to mine. We said we know. U smiled and said, now I know where a car is I can come and steal. I turned and walked into the house, grab my keys, came back out and said, this is our only key to the kia and this is what it looks like, u know where our keys hang, u come get it anytime u want. Danny, U was always there to Help in anyway u could, going to miss ur listening ear. U wasn’t only our cousin, u was more like our brother, U was our best friend all in One 📺 R.I.P Danny, We always Love and Miss U 📺 Love Meril, Maryann, Nate and Co 📺
