“ *Ms. Deborah, your presence will be forever missed. Both beautiful inside and out, you were an Angel enjoyed right here on earth. I will always remember you for your warm heart, endearing spirit, grace, and your adoring smile. We want to be selfish, and keep you to ourselves, but God needed you more. God said in his word the way would be made clear which invigorates my spirit for that day when we shall see you, and all other loved ones again. Rest Queen in complete peace, and know that you were loved beyond comprehension nor understanding as you were truly, truly God's Woman. I Love You Ms. Deborah.*

*Gratefully,
Davina Washington*
