“ *I'm devastated of finding out of James death. I took care of him the last 2 yrs. because I gave him a place to live the last two yrs. of life. I did everything possible for him. I'm so shocked that you his family couldn't even let me know of his passing. He and I were close friends. I nursed him back to health after 2 stints in hospital, etc, etc. Hopefully he is at last at peace with his demons and is with his parents that he spoke so highly of. I will keep him in my prayers.*
