“ *I met Lucian on the web. We use to do bible study over the phone. We talked for about 6 yrs. We played online games all the time. I live in Western Kentucky. He would call me whenever he got out of the hospital. When he didn't call for a while (month & half) I went online today 2/6/17 there it was. I visited him about 2yrs. ago. I really had a nice time. He was truly a dear distance friend. We only met one time. I pray your family's straight in the Lord.*
