

Martha Nell Johnson Morgan

June 19, 1931 - May 25, 2022

Martha Nell Johnson Morgan was born on June 19, 1931, in Cane Valley, Kentucky. She was the daughter of the late George and Bertha Johnson. She passed from this life peacefully and pain-free on Wednesday, May 25, 2022 at the tender age of 90. She lived a life full of happiness and joy; and was a blessing to the many lives she touched. She was a faithful member of New Vine Baptist Church where she joyfully served on the usher board for many years; receiving recognition for her many years of dedication in November 2017. She never met a stranger and would do whatever she could to help others. She will always be remembered for her delicious butterscotch pies and her 'melt-in-your-mouth' rolls. During the holidays, her kitchen table would be lined with rolls to share with the people she loved; to allow folks to enhance their own holiday dinners with her special treat. Martha was well known for her classy style, culinary skills and her consistent acts of kindness. The aroma of her kitchen instantly made you hungry. Prior to her health decline, you could not leave her house without having a bite to eat. Along with

missing Martha, we are
already missing her butterscotch pies and rolls.
