

Mary Sue Taylor

February 14, 1927 - April 22, 2021

Mary Sue Carter Taylor was born on Valentine's Day, February 14, 1927, to the late Minnie Twyman and Grant Carter, in Versailles, Kentucky. On Thursday, April 22, 2021, she peacefully passed away at her home surrounded by her loved ones. Mary accepted Jesus Christ as her Lord and Savior at an early age under the pastorate of the late Rev. Findlay at Consolidated Baptist Church. As an adult, she became a faithful member of First Baptist Church Nicholasville, most recently under the pastorate of Dr. M. L. Radford. On most Sunday mornings, you would find Mary in a classroom sharing lessons from the Bible, as she was steadfast in teaching Sunday School for over 50 years.

Through her enrollment in nursing school, Mary obtained the education needed to become a CNA. She became a dedicated employee of St. Joseph Hospital where she was able to use her medical skills and talents, and more importantly her warm heart, to care for the sick and injured there for nearly 30 years before she retired.

When she wasn't working, Mary could be found reading, working on her Sunday School lessons or in the kitchen cooking for her family, or anyone else who needed a plate. But her favorite hobby was going to yard sales. You never knew what she would come home with next.

Besides her parents, Mary was preceded in death by all of her siblings; three daughters, Elizabeth Armstrong, Barbara Raglin and Janice Kelly; and three grandchildren, Roman, Angela and Allison.

She leaves to cherish her memory, nine surviving children, Charlene (Rev. Al) Taylor, Johnetta Walker, Terry Taylor, Rev. Seibert (Cindy) Taylor, Gayle (Jerry) Smith, Marcina (Derrick) Canada, Paula Taylor, Dedra Mitchell and Levina (Collins) Ewhie; 34 grandchildren; numerous great-grandchildren and great-great-grandchildren; and a host of extended family members and friends.

“ *Miss Taylor was a beautiful friend and co-worker that I had the privilege of knowing and working with for many years. Her devoted love for God always present, and never ending through her beautiful smile and soul. I have really enjoyed knowing and working with her down through the years. I also enjoyed the yard sale adventures with her. She is at rest now with no more pain and suffering. Rest IN Peace my Dear Friend. Some day soon we shall meet again. To the family Keep the Faith and Trust God Always. With much love your Friend and Co-worker.*
