“ It’s hard to believe that you are gone. It’s like a bad dream I cannot awake from. I am so glad that I have so many memories. Life will forever be different without you. But I know that you are at peace and you have no pain or sorrow. God called you to be with TC, Val, and so many other family members. I know that you will be watching over us and my heart will forever be shattered. Rest well cousin you and Val will be missed.

“ This one here hurts real bad. I know your in a much better place, pain free, med free, treatment free and worry free. Your back with your parents, I can hear you now telling them what to do. Lexington will never be the same for me. Our family moved away when I was 6 years old. Every time I was in Lexington I would have to go visit Farra Court or even stay there while in town. Love You Auntie!! Please keep the family in your prayers 🙏
