“ I use to work with Philip... and played basketball with and against him with the police dept back in the 80s and early 90s. Such a great man. So friendly and helpful to me in many ways. I truly looked up to him and his advice about certain situations was always welcomed. I was in awe of him and the several Cobra MC guys at work. I always wanted to just put on one of the club jackets but would never dare ask to do that. Too much respect. RIP my friend. You will be truly missed....Karl Hiten.
