

Robert Searcy Hughley Jr.

June 25, 1960 - February 13, 2026

Robert S. Hughley, Jr., affectionately known as “Doolum,” was born on June 25, 1960, and went to be with the Lord on Friday, February 13, 2026. From the very beginning, his life was marked by warmth, resilience, and a spirit that could light up any room. Baptized at Main Street Baptist Church, Robert’s foundation of faith remained an anchor throughout his life.

A proud graduate of Tates Creek High School, Class of 1978, Robert carried his Commodore pride with him always. He later went on to earn a Bachelor of Arts in Business Administration from Carlos Albizu University in 2004, a testament to his determination, discipline, and belief that it is never too late to pursue your goals.

Robert had a deep love for life’s simple joys. He loved to travel, to explore new places, make new friends, express himself through fashion and found comfort and celebration in music.

Whether it was the rhythm of a favorite song or the hum of laughter among friends, music was part of the soundtrack of his life.

As a former employee of Fayette County Public Schools (FCPS), Robert

touched the lives of countless students. He was more than a staff member, he was a presence. Known for his charisma, lighthearted personality, and sharp sense of humor, he had a way of making people feel seen and valued.

Robert was preceded in death by his parents, Robert Hughley, Sr. and Ernestine Hughley, and a brother, Ronald Lee Hughley.

He leaves to cherish his memory his beloved siblings: Sylvester (Cynthia) Walker, Marvin (Bobbi) Walker, Barbara Hughley-Ray, and Donald "Bean" Hughley.

His greatest pride and enduring legacy are his children: his daughter, Shelley (Markieth) Tyler-Smith, and his son, Joshua (Destiny) Hughley. Through them, his values, laughter, and strength continue.

Robert was also blessed with a circle of loyal, lifelong friends: Keven Weathers, Darryl Jones, Ron Hargette, Vince Taylor, Paul Caise, Durrell Dunn, Lynferd Morton and Claude Weathers. Their bond was built on brotherhood, shared stories, and unwavering support.

Robert "Doolum" Hughley lived fully. He loved deeply. He laughed often. His legacy is not only in the milestones he achieved, but in the hearts he touched along the way. He will be remembered for his bright smile, his humor, his generosity, and the way he carried himself with style, authenticity and heart.

“ Thirty years ago, I was a young man trying to figure life out. I had dropped out of college, gone to barber school, and was cutting hair just trying to make ends meet. I met a lot of people during that time, but one distinguished man truly changed the direction of my life, Mr. Rob Hughley.

In 1998 I was preparing to become a father at 25, I had no clear plan. I knew barbering wasn't my long-term path, but I didn't know what was.

One day Rob came into the shop with a newspaper and told me about something called MCSE. We sat there going through job listings, seeing how many opportunities were asking for that skill. He told me it might be something I should look into.

That conversation planted a seed that changed my life.

*Rob played a major part in the path I chose and the man I became.
Thank you Rob!*

Rest in peace, my brother. 🙏

“ I was 14 years on a city bus to Fayette Mall by myself. There were 2 girls that started picking with me and saying mean things to me. Out of the back of the bus were two male voices. Leave that girl alone! Then Doodlum and Donald walked up to my seat and introduced themselves. Told me that I was safe and not worry that I was going to ok. Told the two girls that they apparently knew to stop bullying me and never speak to me like that again. At that moment I met my Brothers for life! I love, respect and miss you much. Thanks for always looking out for my Asthmatic daughter Azaria at Bryanstation. You will always be my Family till my last breath. 🙏🙏

“ My favorite memory of Mr. Hughley, was when he saw me skipping school at Wendy’s and made me go back and specifically said “get your food and head on back” I replied “yes sir” (of course with no intention of heading back initially) his immediate response to that was “ when I get back, I’m going to check to see if you’re there” lol. He was always encouraging us to do the right thing, keep a cool head, and be good. Thank you for all the constant love and support you showed us in school, you will be missed dearly and heaven has gained a real angel! Once a defender, ALWAYS a defender!
