“ This is very, very sad news and I'm shocked to hear this. Sheila's passing was sad enough. I attended Lafayette High School with Sharon's older sister, Sheila. Sheila was kind, funny, joyful, and always a delight. It was there that I came to know Sharon. Sharon was just as kind and pleasant as well. We would chat a bit whenever we would cross paths in Lexington, most times were grocery shopping trips. I'm really going to miss running into her from time to time as seeing her was always a pleasure! I send my most sincere & heartfelt condolences to her family! Prayers!! 🙏

“ I worked with Sharon at Members, she was always so very kind and she loved the fact my daughter was attending WKU. So very sorry for your loss.
